Hebrew:

I had a wonderful experience in China trip. There I had lot of fun; visiting the industries was awesome and I gained technical knowledge too. I loved every moment. I thank our management for making it happen.

Loganathan:

I feel grateful for our management for arranging such a wonderful trip to China. This is the second time for me to join the fly high. I thank our management who constantly encourages the toppers through these trips. This is my first visit to China. Factory visit and company visit helped me to gain technical knowledge. This trip for me is a fun filled learning.
